## FEMALE MONOLOGUES

### **ELLE:**

I'm Elle Woods! I'm a Gemini with a double Capricorn moon and I have a Bachelor's degree from UCLA where I was Sig Ep Sweetheart, president of Delta Nu Sorority, and founded the charity "Shop For A Cause". Oh! And just last week at Fred Segal, I talked Beyonce out of buying a truly heinous cable-knit tube top. Whoever said tangerine is the new pink is seriously disturbed. Anyone know where I can find Criminal Law 101 with Professor Callahan? And Warner Huntington III?

### **VIVIENNE:**

I didn't make you look bad, you just weren't prepared. Try opening a law book. But I should warn you... They don't come with pictures. Aren't there girls going wild somewhere without you? Elle, you're not going to make it through the semester, let alone get Callahan's internship. Even if you keep going... and going... and going... Face it, bunny: One of these things is not like the other. Someday, we'll nominate Supreme Court Justices... and you'll... tan.

### **PAULETTE:**

Hey, there! Welcome to the Hair Affair. You're with Paulette so you're in good hands. I'm sorta like Allstate but for hair. (pause) Make you a brunette?! What?! Honey, you're a genetic lotto win! Alright, something else is goin' on here. Back up. Paulette's listenin'. Spill!

### **BROOKE:**

Hi! I'm Brooke Wyndham and welcome to the Wyndham Workout Disc Two Challenge and our commitment to being the best that you can be! So grab your Cardio Whip 5000, 'cause if you want to get ripped, you'll have to get whipped! Ladies, just because we're in the Boston Women's Correctional Facility doesn't mean we can't become the best that we can be. You're not breaking out, so might as well break a sweat!

### **SERENA / MARGOT / PILAR / FEMALE ENSEMBLE:**

Oh, honey, so good to see you! Look! We brought you new magazines. We've got *Town and Country* and your favorite, the one they named after you, *Elle Magazine*! But you'll just have to hold on because the new *Cosmo's* not out 'til next week! (*gasp*) What is it, Elle? Don't tell me ponchos are back in!

## MALE MONOLOGUES

If you are auditioning for male ensemble, choose whichever monologue speaks to you most!

### **EMMETT:**

Actually, Elle can represent Brooke, your honor. Rule 3:03 of Supreme Judicial Court states that a law student - Ms. Elle Woods - may represent a defendant in criminal proceedings if she is with a licensed attorney. I'm licensed and I'll gladly supervise. I work for myself. And I don't have to hit on interns, Professor. Did you think I was actually gonna let you just get away?

### **WARNER:**

Elle, I want you to know how happy you've made me. Every guy dreams of finding a girl who looks like you. But, we need to break up. I know that's probably a bit of a shock to you, but I talked it over with my parents Pooh-Bear and they expect a lot from me. I'm going to Harvard Law School and my brother's at Yale Law - so's his new wife, and she's a Vanderbilt. Elle, if I'm gonna be a senator when I'm thirty, I'm gonna need somebody serious.

### **PROFESSOR CALLAHAN:**

Without the "gay-dar", we wouldn't be celebrating with champagne, we'd be dead in the water. Elle Woods trust her gut and has shown more legal smarts than most on my staff. She won this round, making her a good lawyer. And while we'd still love to hear that alibi she got, by keeping it, she's never compromised the client's trust, making her a great one. Which is more than I can say about you, Warner. Be useful. Go get me a coffee. Splenda and skim.

### **KYLE:**

The name's Kyle. This is my new route and first stop of the day. Kinda cool karma, huh? Alrighty then. Do me a favor? You have yourself a super day.
